

PRETORIA BONSAI KAI

NUUSBRIEF Junie 2010

Hallo aan almal

1 MEI VERGADERING

Ben, baie dankie vir die praatjie en demonstrasie. Dit wys jou net wat gemaak kan word met polistereen. Die voorbeelde wat jy saamgebring het, het baie natuurlik gelyk.

Vir Jaco ook 'n groot dankie. 'n Mens kan sien dat hy baie tyd spandeer het om met so 'n uitstekende vertooning voor die dag te kom.

2 BRAT (Bonsai Regional Association of Transvaal)

I want to thank Brandon and Gerhard who competed in the New Talent competition held at EBS. They did us proud. All the trees that were styled were of a high standard.

Please keep in mind the following BRAT dates:

- 1) 31 July at Waterberg
- 2) 30 October at Vaal

Because of the distance we need to travel to Waterberg it was decided that BRAT will cover the R50 for the lunch for this meeting. Please attend these meetings. The meetings are for the BRAT members to see, learn and enjoy and meet members from other clubs. Please take trees along to compete for the trophies.

A request, if you have any BRAT trophies, please, return them at the next meeting.
