NEWSLETTER - JUNE 2010

Hi all Bonsai Lovers!

The monthly meeting on 8 May 2010 was again enjoyed by all who managed to be present. Again we worked on trees and we had some quite challenging specimens to style. With input from members the end results were very rewarding. Joy stole the show with her maple that was in full Autumn colours. A photo of the tree is attached. Isn't it lovely?

Our next meeting is on 12 June, 2010 at the Potting Shed. The meeting will start with our Annual General Meeting and we ask as many of you as possible to attend.

It should not be a very long meeting and we will still be able to work on trees that need attention and styling. So bring some material that needs attention and we can help. If you do have a tree that is looking "WOW" at the moment, please bring it and share it with us. It is always good to brag a bit if you are really proud of your trees. So, lets share our happiness.
