## NEWSLETTER - FEBRUARY 2010

Hi all Pmb Bonsai Club members, future members and visitors.

**AT LAST we have a permanent venue for our monthly meetings. The more senior members will know the venue at "THE POTTING SHED" at the University, Agric Department.** The lady in charge there, Alison Young has been so firendly and accommodating, offering us this place for free.

We invite all to come and join us on Saturday 13 February 2010 at 2 pm.

Joy will be giving us a demo and talk on the Coral tree. She has had a lot of success with hers and is going to share her knowledge with us. If you have a problematic coral tree, do bring it with you. And also, please DO bring your trees that need work on them. This is always fun and a learning curve to all.

**To get to the venue:** Go up Ridge Road from Durban Rd, turn left into Carbis Road. Follow this all the way down till you get to the boom gate at the Agric Dept. Once you are through this gate turn left and go straight down and you will get to "The Potting Shed". The guard at the boom gate will be asked to direct anyone.

If you should need directions don't hesitate to phone me at 0837 456 078!

See you there
